WASHINGTON

MEMORANDUM FOR THE AIR FORCE PROGRAM EXECUTIVE OFFICER FOR SPACE

SUBJECT: Exemption and Waiver to DoDI 5000.2 and Related Guidance for Air Force Program Executive Officer for Space (AFPEO/SP) Space Programs

Pursuant to the authority granted in USD (AT&L) memorandum "Delegation of Milestone Decision Authority for DoD Space Programs," and per your 3 February 2003 request, I hereby grant an exemption and waiver to the processes and procedures described in DoDI 5000.2 and related guidance for all current AFPEO/SP programs as well as future space acquisition programs executed under the authority of the AFPEO/SP. Granting these waivers and exemptions enables use of the streamlined space acquisition process described in the National Security Space Acquisition Policy 03-01 for these Air Force space programs. My intention is to have all space programs follow the same streamlined processes and procedures to the maximum extent practicable as part of the implementation of Space Commission recommendations.
